Dear Parents/Carers,

Road Safety

In Robins on Monday, we took time to revise how to stay safe when we're out and about. We started by reminding ourselves of the sequence for crossing the road safely – Stop, Look, Listen, Think – and drew some roads on the playground to practise. Everyone mastered this, supporting each other by holding hands to safely cross 'the road' and remembering that you never run! Back inside, we chatted about finding a safe place to cross: a zebra crossing, a pelican crossing, a traffic island...never near a bend in the road or from behind a parked car! Later in the afternoon, we continued our safety chat looking at car seats and helmets. We were able to consider how they keep us safe as we travel and what might be if we don't use them. Some wise words from our young friends, demonstrating a passion to keep safe at all times.

End of KS1 SATs

This week it was the turn of our Year 2 pupils to sit some SATS papers. Once again, we were so proud of the determined approach and care they took with completing the papers. A real demonstration of how to be the best version of yourself, no matter the task. Great work Year 2, we're all super proud!

Cathedral Service for Y6
