Friday 12th September 2025

Dear Parent/Carers,

It has been lovely seeing you all at drop off and collection over the past week. For those of you who I haven't seen, I do hope you had a wonderful summer break. It has been a real joy to see the classrooms and playgrounds full of energy and enthusiasm again as the children settle into a new school year.

I would like to share a particularly warm welcome to our new Reception families. Starting school is such a special milestone and we are delighted to have you as part of our school community. The children have really impressed us with their curiosity, confidence and kindness towards one another this week; they are definitely ready for their full-time timetable from next week! It has also been wonderful to see the rest of the school nurture and welcome the children, particularly at break and lunchtime where they have been so caring to one another.

I would also like to extend a thank you to all of the parents who joined us for the welcome meetings this week and last. Your support and engagement mean a great deal, and it was lovely to share our vision for the year ahead with you. As you will now know, we have a very exciting year ahead of us.

Best wishes,

Miss Thomas

It has been lovely to see different children enjoying a game of table tennis at break and lunchtime this week.
