

Additional Home Learning Tasks

<p>You are going on a spaceship and can only take 10 things with you. What will you take? Either write or draw them in your suitcase. You are going to meet some aliens on another planet. What 10 things would you take as presents for them? Draw them in a gift box.</p>	<p>Make an acrostic for one of the planets e.g. M A R S This could be a list of words beginning with each letter, a sentence for each line or even a rhyme.</p>	<p>Create your own space themed top trumps cards.</p>
<p>Find out facts about the space missions – What was the first creature sent into space? Who was the first astronaut? Who was the first man on the moon? What other interesting facts can you find?</p>	<p>Make a 3D model rocket with a parachute to aid re-entry.</p>	<p>Keep a sky at night journal for a whole week. Write about everything you can see in the sky. You could draw a picture of the moon every night. Does it change over the course of the week?</p>
<p>Prepare a lesson to teach the class about an aspect of Space you enjoy (Be ready to teach it!)</p>	<p>Complete a character study of Neil Armstrong or any other famous astronaut/ cosmonaut.</p>	<p>Write newspaper report about the first moon landing.</p>
<p>Create a new mnemonic that will help others in the class remember the names of the planets and their order from the sun.</p>	<p>Use scrap paper, foil, sweet wrappers and other junk around the house to create your own space collage.</p>	<p>Make a space mobile that you could hang in the classroom.</p>
