Dear Parent/Carers,

What a busy, fun-filled week we have had at Coaley. I must begin with the athletics festival hosted by 'With the Ball' at Churchdown Academy last Saturday. A group of children represented Coaley in the most commendable and committed way possible. Throughout the day, the children persevered, supported one another and achieved fantastic things; as a family, they truly flourished together and this was heart-warming to see. I have had such wonderful feedback from parents who attended, as well as With the Ball colleagues, about the exemplary values and behaviour our pupils demonstrated; I am incredibly proud of them all.

Elise and Ellie represented Coaley at the K'NEX final earlier this week at Renishaw and were very inspired by the impressive engineering there (as well as the ducklings crossing the carpark). They worked collaboratively to construct a complex design against a very specific brief- well done for your efforts!

A small group of pupils visited The Music Work Studio this week to begin filming and recording our new school song. It was magical watching the children perform with gusto wearing headphones and singing into microphones! We are so excited to share this with you next term.

As another term draws to a close, I would like to thank the wonderful staff, governors, volunteers and parent helpers for their hard work and commitment to Coaley. Your time and efforts are hugely appreciated.

Have a wonderful half term and we look forward to welcoming you back on Monday 3rd June,

Best wishes,

Miss Thomas

As a family, we flourish

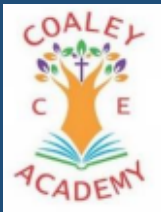

Our School Song

A sneak peek at some of the lyrics...

As a family we flourish
Together as a team
As a family we flourish
Following our dreams
As a family we flourish
Together one and all
As a family we flourish
Growing standing tall

With the Ball

Last Saturday, a group of children joined the 'With the Ball' Athletics Festival at Churchdown Academy. Throughout the day, the KS1 and KS2 team competed in a range of activities, from welly wanging to track races. Throughout the day, the children demonstrated the highest level of skill and perseverance. More importantly than this, the children showed the highest level of support and encouragement to one another. The sportsmanship and team spirit was exemplary; this was commented on by parents, coaches running the stations and Ritchie.

KNEX Competition

After winning the workshop in school, Elise and Ellie represented Coaley at the finals at Renishaw. They were given a design brief and worked together tirelessly to construct their design. Throughout the morning, they demonstrated excellent problem-solving skills. They could be our future Engineers!
