As a family, we flourish.

Love each other as I have loved you (John 15:12)

Friday 7th March 2025

Dear Parent/Carers,

It has been wonderful to start the term with such glorious weather, it really does make such a positive difference to break and lunchtimes. It is always lovely to see the children running around the large field and creating their own games in the sunshine.

The whole school enjoyed a day full of reading based activities during 'World Book Day' yesterday. Many of the children dressed as their favourite book character to add to the magic of reading. It was wonderful to see that so many children had participated in the 'design a mask' competition and I must say that the entries were just phenomenal. The level of creativity and innovation blew us away and I was thankful that the children voted for their winner as I couldn't possibly have judged them!

We are excited for our visit from Councillor Gill Thomas this morning. She will be sharing the fundraising challenge she is embarking on this year to raise money to buy enough litter pickers for every school in the Stroud District and educate our children on litter awareness to promote greater knowledge and encourage micro volunteering opportunities in the community. This is perfect timing as Purple, Green and Orange House have been working collaboratively to make a difference in our community. We will be sharing the projects they have been working on with you all soon.

This term we have introduced 'Zones of Regulations' at Coaley and Miss Nobbs is keen to share this with all parents and carers. She will be hosting a parent meeting about this on Tuesday 25th March at 2.30 and again at 3.30. It would be wonderful if parents/carers could attend as there might be some strategies or language we are starting to use in school you would like to use to support your child in the home.

Best wishes,

Miss Thomas
