3rd July 2020

Dear Parents and Carers,

Hope you've all had a good week and are slowly getting use to a bit more of a looser lockdown. This week has been exciting in school as we continue to see changes to library area as it is getting ready for the final fit in the holidays. At the moment, we are getting it all prepared with smooth walls and painting the bits that need touching up, before the company come in to fit the new library furniture. It's going to look amazing and will be such a wonderful place for the children to come and read and learn.

I also have some more exciting news!!! On Tuesday, we appointed a brilliant new teacher to the team at Coaley. Miss Jenny-Rose Rance will be joining us to work with the new class in the Nest, alongside Miss Hunt. She will be working and learning with the Year 3 and Year 4 children from September. We are very excited by the opportunity to grow as a school, yet to keep the wonderful kind and caring values that we hold so dear. **Miss Rance will be coming into the school on Monday 6th and Monday 13th July to meet all the children.**

On a slightly sadder (but actually quite exciting) note, Miss Hudson, who has been working in the Owls class this year, will be leaving us at the end of term to take up a teacher training place. She is going to train to be an English teacher in secondary schools, obviously inspired by our delightful Year 6's who she has worked so closely with this year. I know I will pass on all our thanks for her amazing support and inspirational teaching (especially her dance moves!) and we wish her all the very best of luck in her new career.

There was sad news about Coaleyfest this week. FOCS have been so supportive over the Playground improvements and I just want to take this opportunity to thank all of you in FOCS for your unstinting support with this project.

Richard Lucas
Executive Headteacher

Year 6 water fight

In keeping with the Coaley tradition, year 6 had their water fight yesterday and no one went home dry! That includes Mrs Lowe and Mrs Squire.

The Coaley Crew!

A much quieter week on the facebook page this week. Freddie made a 100 square using Roman numerals which we were all super impressed with.

Times tables rockstars results are:

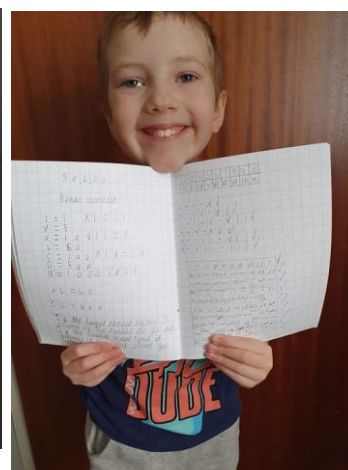

Year 3 - Andrew 1.01

Year 4 - Sam 0.55

Year 5 - Lucas B 0.5

Year 6 - Jack 0.51

Best dressed - Bella

FOCS Dates

IMPORTANT ANNOUNCEMENT

With regret, due to the ongoing situation with COVID-19, we have made the decision to cancel Coaleyfest 2020. It is unlikely that social distancing measures will have been relaxed enough by September for us to make it happen in the way we'd hoped.

We would like to say a big thankyou to Everhot cookers and Renishaw Engineering for their sponsorship, which they have very kindly allowed us to put straight into the fund for our new playground.

Special mention also to Rocket Rentals who's sponsorship (our reusable glasses) will be rolled over to next year instead.

Anyone who has purchased tickets already will be contacted over the next couple of days.

Thanks for your ongoing support.

Team Coaleyfest

Proud Cloud Certificates:

Robins: Leo

Owls: Molly

Values Certificates:

Robins: Fion

Owls: Lewis

Growth Mindset Certificates:

Robins: Ellie for an excellent recount about "Emily Brown"

Owls: For working really hard when producing a persuasive leaflet
